

100 Stewardship Verses & Ideas

Proven truths and practices to help people discover the reality of God through godly financial and lifestyle decisions.

GIVING YOUR LIFE TO CHRIST

You cannot present to God any amount of money, good works, or possessions in to merit His favor. The Christian life actually begins when you yield your heart and life to Christ and receive what He wants to give you -- eternal life, forgiveness of sins, assurance of heaven when you die, a brand new start, and a relationship with Himself!

1. Ezekiel 36:26,27 God's promise to give you a brand new heart, mind, and desires.
2. Romans 12:1,2 Give your whole life and body to God.

GIVING - NOT BECAUSE YOU HAVE TO, BUT BECAUSE YOU WANT TO

Christian giving is not a natural act, but a supernatural act of God in your life. It is God's grace and love that will give you the ability to give and share according to what He's given you. Your Christian giving is to be more delight than drudgery, more privilege than pressure, and more anticipation than anxiety.

10. II Cor. 9:7 God loves a cheerful giver.
11. Lev. 22:17,18 Giving through your own free will.
12. Exodus 35:5 Giving voluntarily.
13. Prov. 3:5,6 Recognizing the apparent foolishness of giving but believing God is greater than your limited understanding.

GIVING FINANCIALLY

Each act of financial giving to the Lord is a testimony to your willingness to TRUST God in your life. Each time you give, you are acknowledging your total and complete dependence on Him as your Heavenly Father. Not to give faithfully to the Lord's work is a sign that you're unwilling to trust God in your life. D.L. Moody, the famous Christian leader once said, "If you don't have much, but give - you will have more. But if you don't give, whatever you have will never be enough."

GIVING GOD CONTROL OF YOUR LIFESTYLE

Some practical ideas to consider:

41. Seek to de-clutter, simplify, and scale down your lifestyle.

44. Don't set your lifestyle based on your income, set your lifestyle based on how you believe God wants you to live. If God provides you with extra funds, pray about what He wants for this excess.
45. Faithfully monitor your finances and actively pursue becoming 100% debt-free (note: most people can eliminate all short-term debt within two to four years and can even have their home paid off within seven to fifteen years)! Resource materials by Larry Burkett or Ron Blue are available through local Christian bookstores to help you in this area.
