Paul wrote letters to the early churches. Those letters are in the Bible. In each workshop, letters from Paul will be in the workshop mailbox.

Paul wrote to new Christians in these churches. These churches were the first Christian Churches. After Jesus died on the cross and was resurrected, he appeared to the disciples and told them to go everywhere and make disciples of Jesus. The disciples were to tell of God's love in Jesus Christ.

Paul was one of the disciples that Jesus told to go spread the Gospel, the Good News about God's love.

Because this was all so new to the people, they often did not understand how to be Christians and how to be the church. So Paul visited them or wrote letters when he couldn't visit.
